What our customers say

Ankit Gupta
Goodluck Publishers Ltd.

From sales team creating orders on a web platform to the invoices, from invoices and credit notes to receipts, from day books to balance sheet – all our business processes are automated using CloudPUB Software. We are very happy with the speed, accuracy & efficiency of the software.

Gbadega Adedapo
Rasmed Pub. Ltd, Nigeria

Switching to PUB+ on Cloud from the desktop version has been a great decision, as the switch alone has improved our operations, enabling users to work from anywhere and at anytime with ease, keeping track of transactions being carried out in our depots real-time is also interesting.

Dhaval Jamnadas
Jamnadas Publishing House

Working with STS has been a pleasure over past 7 years. I am very happy with automated royalty calculations, saves a huge amount of time & efforts. We are pleased to recommend PUB+ Software as well as commend your team for the wonderful work you are doing.

Syed Amir Ali
Universal Book Showroom

I am very happy & satisfied with STS Team which is very talented & very humble. Superb service. For reporting, PUB+ on Cloud software is beyond expectations as it gives all the relevant reports within fraction of seconds. We highly recommend PUB+ Software specially to the Book traders as PUB+ is made for Book Business.
